## FCI breeds 3 - nomenclature

# AIREDALE TERRIER

K.B.T.C. - C.R.B.T.

Measures	Ideal
Height at the withers	Males 58 - 61cm, females 56 - 59cm
Weight	
Standards	FCI – 007
Coat	Hard, dense and wiry, not so long as to appear ragged.
Colour	Body saddle black or grizzle as is top of the neck and top surface of tail. All other parts tan.

## Country of origin: **GREAT BRITAIN**

Largest of the Terriers, a muscular, active, fairly cobby dog, without suspicion of legginess or undue length of body.

Keen of expression, quick of movement, on the tiptoe of expectation at any movement.

Character denoted and shown by expression of eyes, and by carriage of ears and erect tail.

Outgoing and confident, friendly, courageous, and intelligent. Alert at all times, not aggressive but fearless.

# AMERICAN STAFFORDSHIRE TERRIER

K.B.T.C. - C.R.B.T.

Measures	Ideal
